

Peeling the Orange part 2

What is Orange?

Realizing that 100 years from now the only thing that will matter is someone's relationship with God.

Worship Service times

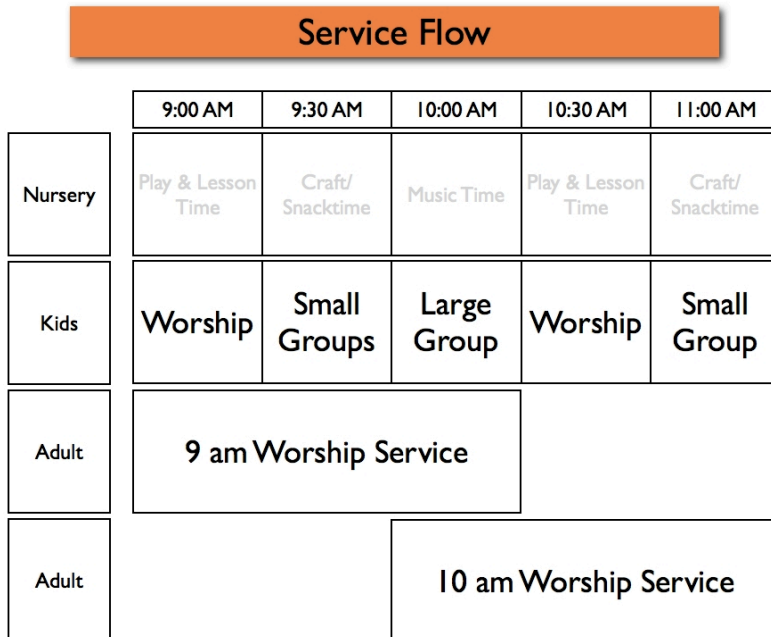

Beginning January 31st, Mount Olivet will have 2 worship services. This new service structure allows us program our Kid's Ministry effectively while we focus on being a Christ-centered, Kingdom-minded and Spirit-filled church.

9am Worship Service in the Sanctuary

10am Worship Service in the Family Centre

The coffee shop will be open in the Family Centre from 9-10am for drinks and fellowship.

Pastor Teresa will lead us in worship and Pastor Mark will preach in both services. How can this work? See the diagram below. We pray that you would join us as we launch our Orange services on January 31st.

Be in prayer and be blessed,

The Orange Team
