

Peeling the orange part 5:

What is orange?

When two **combined influences** make a greater impact than just two influences.

Creating a secure Kid's Ministry Space

Our Kid's Ministry Area is located in the lower level of the Church Building. In the next few weeks expect to see some changes to this area. When you enter this space, you will see a 4 foot **fence** separating you from the classroom space. This "fence" will serve as the check-in area where families will drop of their children before services begin.

The area will also include hooks and storage for coats and personal belongings. Every child will be "checked in" and "checked out" at the fence.

The check-in area will be staffed by parents within our church.

Everyone on our Kid's Ministry Team will be identified by **orange badges**. If you have a question or need direction regarding Kid's Ministry at the Mount, please look for the Orange Badge.

Be in prayer and be blessed,

The Orange Team
Mount Olivet Assembly of God
